IAHSS - ADVANCING HEALTH CARE SAFETY AND SECURITY WORLDWIDE

The International Association for Healthcare Safety and Security (IAHSS) is a professional association, with an international membership, consisting of healthcare professionals with one common goal – to advance healthcare safety and security worldwide.

For over 42 years, the IAHSS has been striving to increase the professionalism of the healthcare safety and security industry through four primary goals: Education, Credentialing, Growth and Influence.

Simply stated, the IAHSS is the benchmark for healthcare safety and security professionals.

ANNUAL BRIDGING BORDERS CONFERENCE & GOLF TOURNAMENT

For several years now, the British Columbia, Alberta and Washington State chapters have been holding an annual conference and golf tournament. This event is designed to provide a professional development opportunity as well as a means to foster continued relations between American and Canadian chapters.

This event brings together all of the area's healthcare safety and security professionals in one location. The event begins the evening of Thursday, June 24th, 2010 with registration and a social gathering and the formal agenda begins Friday morning with the morning meeting/presentations followed by the afternoon golf tournament and concluding that evening with a wrap up dinner. An optional second round of golf is also scheduled for Saturday June 26th.

By attending this event, your organization will have unequalled opportunities to interact with the leaders of healthcare safety and security from the American North West and every health authority in BC and Alberta.

EXHIBITS AND SPONSORSHIP

Networking is the key and this is the place to do it!

Where else can you get direct access to industry leaders, in one location, who are primarily responsible for security, safety and parking infrastructure at many of the large healthcare organizations in western Canada and the American North West? This IAHSS event is the only place.

Sponsorships provide the best exposure for your organization. Your brand will be prominently displayed at these events.

CONCERNED ABOUT RETURN ON INVESTMENT?

Compared to some larger annual general meetings where attendance is in the hundreds, this event concentrates the area's key decision makers from the industry into a relatively small group that provide an unequalled opportunity to maximize your access to the very people who evaluate, purchase and recommend your products and services.

Please join us at **Harrison Hot Springs Resort & Spa on June 25th 2010**. We are truly honored to be your host. The 2010 Bridging Borders committee is committed to ensuring this event is a successful one.

Your support of IAHSS by attending this event is sincerely appreciated
